Southern France experienced a slight earthquake shock Friday. At Lamberto, a house collapsed and eight lives were lost.

At a meeting at Nashville Bishop E. R. Hendricks, of the Methodist Episcopal Church, South, was elected president of the Vanderbilt University Board of Trustees.

Rear Admiral B. P. Lamberton, who was Dewey's chief of staff at the battle of Manila Bay, has gone blind. His affliction is attributed to the strain of the big fight.

The highest June price for live hogs since 1882 was established Monday at the Union Stockyards, Chicago, when best porkers sold at the long-predicted figure of \$8 a hundred pounds.

"There are many ways of skinning a cat, and quite as many of revising a tariff." Assuming that by the cat meant the consumer, it may be said that by any of the ways now resorted to at Washington the cat is always skinned, says the Courier-Journal.

The Louisville Times hits the nail squarely on the head when it says: Foreign capital is looking to Kentucky as to a virtually untapped and beautiful mine; a beginning has already been made, and more would follow in a golden stream if it were not penalized by a system of taxation singularly illogical, arbitrary and oppressive.

The copper wash basin used in the Kentuckian-Citizen office is seventy-two years old and in good condition. It was made to order for the Western Citizen, when the paper was conducted by Lyle and Walker. All of those who used the old pan when it was new have passed to the great majority.—Paris Kentuckian-Citizen.

Please let us hear from the office towel. Does it still stand in the corner?

The highest price which has been paid for wheat in that city for nearly a quarter of a century was \$1.60 a bushel, which was given by the Lexington Roller Mills for several thousand bushels of old wheat, which were required to keep the mills in operation until the new crop becomes available. Practically all of the old crop has been sold, and the mills that did not have enough grain to run them until the coming of the new crop are having to hustle to get it.

Fine Care Fine Hair

It's fine care that makes fine hair! Use Ayer's Hair Vigor, new improved formula, systematically, conscientiously, and you will get results. We know it stops falling hair, cures dandruff, and is a most elegant dressing. Entirely new. New bottle. New contents.

Does not change the color of the hair.
Formula with each bottle
Show it to your
doctor.
Ask him about it,
then do as he says.

Ayer's Hair Vigor, as now made from our new improved formula, is the latest, most scientific, and in every way the very best hair preparation ever placed upon the market. For falling hair and dandruff it is the one great medicine.

Made by the J. C. Ayer Co., Lowell, Mass.

That Continuous Vaudeville Show at Washington seems to have no date for a performance elsewhere. Manager and Proprietor Aldrich, aided by a few former Democrats, now filling Republican roles for what there is in it, is reaping a rich harvest—the contributions of the Trusts.

William J. Bryan is in the race for United States Senator from Nebraska. This statement was made by Richard L. Metcalfe, editor of the Commoner. Mr. Metcalfe says Bryan will at once begin formulating a campaign. His name will go on the primary election ballot, he thus hoping to show he is the choice of the people. Then, the plan will be, if endorsed, to require all legislative candidates to pledge him support.

In addition to the salary mentioned in the Budget as head of the Burley pool, supposed to be \$10,000 a year for two years, he has recently been paid \$24,000 back salary for two years and \$15,000 for the current year ending in October. Now comes the further statement that he is to get "a \$10,000 bonus" if he sells the present crop promptly. Let's see—\$30,000 for sale and \$10,000 perhaps in three years—highly profitable, Kentucky.

Night riding is a pleasant and profitable thing—for the pool.

The Cincinnati Democrat very aptly says:

"A good many names have been suggested in connection with the Democratic nomination for Governor. Most of them are good men of ability, but not a one has been mentioned who would not have something to say. In other words there are points of weakness which would undoubtedly lose them votes in the general election. The party happens to be looking for a candidate just now who would not lose any Democratic votes and who would secure an enthusiastic support."

MAKES WORK EASIER.

Louisa People are Pleased to Learn
How it is Done.

It's pretty hard to attend to duties with a constantly aching back. With annoying urinary disorders, Doan's Kidney Pills make work easier.

They cure backache. They cure kidney ills.

G. W. Pack, Louisa, Ky., says: "I worked on the railroad for over five years and the heavy strain weakened my kidneys. Last May while doing some heavy work, a pain seized me in my back and it felt as if someone had thrust a knife into me. I nearly fainted and after that time any work that necessitated bending, caused me to suffer severely. Doan's Kidney Pills were finally recommended to me and the first dose greatly strengthened my back. When I had taken the contents of the box I was cured and have never had a return of kidney trouble since."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Martha.

The stork visited the home of Squire Riggsby and left a fine girl. Miss Lona Lyon left here Wednesday to spend the summer in Ohio. She will be missed by her friends.

Don Skaggs and family are visiting homefolks, whom they haven't seen for some time. Their home is in Washington. All are glad they have paid old Kentucky a visit.

Mrs. Ida Williams and Belle Lester have been visiting home folks.

Some of the people from Martin attended singing school at Skaggs Sunday.

Levi Chaffin attended church at Knob Branch Sunday.

Miss Rachel Gibson visited home folks this week.

Miss Eliza Johnson was at Keaton last Saturday.

Mary Collier and Ethel Williams visited their uncle, F. E. Holbrook, Tuesday.

Mrs. Lizzie Holbrook, who has been sick for some time, is some better. Rose Bud.

A STRONG RECOMMENDATION

For Jay O'Daniel Comes From Place
Where He Has Taught.

Although living in Carter county and having no vote in the selection of officers in your county, we, the undersigned citizens and patrons of Soldier Graded School, irrespective of party, wish to congratulate the people of Lawrence county that they have it in their power to select for their next Superintendent of Schools one who is worthy of the suffrage of every good citizen in the county.

The candidate to whom we have reference is Prof. Jay O'Daniel, who for two years was principal of the school at this place, and whose qualifications, mentally and morally, and unswerving honesty and firmness of character, would make him an ideal school superintendent.

Mr. O'Daniel, besides being a teacher of more than ordinary ability, is blessed with that qualification to an unusual extent that so few teachers possess—executive ability and firmness—one of the most essential things in the make-up of an officer of that kind.

We can recommend him to the voters of Lawrence county as a man of excellent character in every respect, and while many of us differ with him politically, we know him to be absolutely impartial in the discharge of his duties as a teacher, and that if elected to the office to which he aspires, he will discharge the duties of the office in an able and impartial manner.

So if the people of Lawrence county want a Superintendent of Schools who is an active leader in school work and who will help to put education on a higher plane in Eastern Kentucky, they will make no mistake in voting for Jay O'Daniel for Supt. of Schools.

HUNTINGTON, W. VA.

Cuiloden W. Va.

On the 20th of May, 1909, I was called to the residence of Mr. and Mrs. J. C. Jones, who were celebrating the 25th anniversary of their marriage. I was invited to give a short address and I did so, and the occasion was a most successful one.

It was a most interesting and tenderly held affair, and I was very much pleased to be able to participate in it. I was invited to give a short address and I did so, and the occasion was a most successful one.

When the bells of life are rung, I long to hear their song. On the bright golden stage, Corn cups look well. Mr. and Mrs. J. Jones were guests of the Anderson-Newcomb Co. on Saturday.

Bob had made a trip to the city on Saturday. Mrs. Lavinia Fleming, of Covington, expects to visit her father and mother, who are in the city, on Monday.

John M. Hubbard was visiting in the city, at Hamilton last week. Aunt Maria Hubbard is very much improved.

Cards of Thanks.

During the last illness of my dear wife very many of the good people of Louisa were visiting and helping her. For all this sympathy and thoughtful acts I am deeply grateful and beg to express my sincere thanks to all.

The Other Side.

Yatesville, Ky. I wish to say that the piece which was sold in the NEWS last week was an undoubted fact. I did not ask Mr. Salter to bring me back for a visit in three months. He made me all kinds of propositions and agreed to come back in a short time.

As far as his occupation was concerned I knew nothing about it. When he first arrived here he told me he was a merchant, and the second trip out he told me he was a life insurance agent. The last time he called he stated that he had no position at present, and I really thought he was as high nothing as anything I ever saw, so I declined the idea of getting married.
